

LONG TERM CARE INSURANCE

You are eligible for Long Term Care Insurance.

Long Term Care Insurance is available to help cover the costs of home health care and facility care that may not be covered under your regular health care plan.

It is most often purchased to protect your life's savings in the event of a long-term illness or disability.

We make a long term care plan available through Long Term Care Planning Group, Inc., and Strawbridge Financial Services.

If you are interested in applying for Long Term Care Insurance, please call Ken Patterson, Long Term Care Group, Inc. at (804) 928-5315, or call Ron Mentzer, Strawbridge Financial Services at 804-464-3567.
